Melin Homes residents invited to have their say

Melin's Residents' Panel is hosting a series of open meetings this year and would like to invite anyone living in a Melin home to come along to the YMCA in Pill, Newport, at 7pm on Thursday November 27.

The Residents' Panel consists of 12 elected members who play an active role in the day to day running of Melin Homes and provide a vital link between the organisation and its residents.

The aim of the meetings is to give residents a chance to air their views and raise any queries they have. This information will enable Melin to identify improvements to services and address any specific issues that residents may have.

Resident Panel member Clive Rees hopes his fellow residents will take advantage of the meetings and come along and share their views. He said:

"Melin welcomes ideas on how they can improve services and, if you have any specific concerns, this meeting will give you the chance to raise them with Panel members, Melin's Chief Executive Mark Gardner and his staff."

If you would like to find out more about the work of the Residents' Panel or if you have any issues that you feel they can help with please contact them on 08543 101102 or email residentspanel@melinhomes.co.uk
